

CERTIFICATE OF CONFORMITY OF FACTORY PRODUCTION CONTROL

This certificate is issued to:

**National Tubes Stockholding Ltd
Dalton Airfield Industrial Estate,
Dalton, Thirsk
North Yorkshire
YO7 3HE, United Kingdom**

In compliance with the Construction Products (Amendment etc.) (EU Exit) Regulations 2020, UK Statutory Instrument 2020 No. 1359, this certificate applies to the construction product:

Fabricated steel components for use in building & construction up to EXC 4

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the following standard(s):

EN1090-1:2009 + A1:2011 Execution of Steel Structures and Aluminium Structures – Part 1 Requirements for conformity assessment of structural components

under system 2+ are applied and that the factory production controls fulfil all the prescribed requirements set out above.

The attached Schedule, of the same date, details the manufacturing location(s), harmonised product standard and product parameters and shall form a part of this certificate.

"This Certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly."

Certificate No.:	0038/CPR/LRQ00003635
Original Approval:	30 November 2020
Current Issue:	13 October 2023
Certificate Expiry:	29 November 2026
Approved Body No.:	0038
